

Scary. That's what this mob of right wing ideologues are to most of us. Scariest still, they have a national platform to use code words and race baiting to spread fear and mistrust. It would be sad, even funny, if so many people weren't hurt by them. Hate crimes are up. False accusations and outright lies have cost good people their jobs and their reputations. And we don't know who will be next.

These millionaires posing as "everyday Joes" are trying to run our lives from a studio -- and it's got to stop.

If you agree, sign up here to find the simple things you can do to let them know we've had enough. It's clear.

These attacks are a sign that they're the ones who are running scared -- scared of change.
